Students requiring exception registration for resit and/supplemental examinations must submit applications by Friday, April 3, 2026. **Please note that no exception registration (re-sits and/or supplementals) application will be accepted as at 12:00AM on April 4, 2026.** Students who are not registered for the current academic semester are required to obtain academic clearance from their respective faculty to apply for Exception Registration (re-sits and/or supplementals). Students who apply for Exception Registration (XR) will not be able to access the online examination platform (Moodle) or venue unless they have completed the Exception Registration process within the Student Registration System (which includes submission, validation, fee payment (if applicable), confirmation and added to CRU). Students may track the status of their XR requests via the Student Registration System (SRS).

Students requiring assistance with Exception Registration from the Moneague College Campus are asked to contact 876-833-1680.

All registered students (those financially cleared) can now access and print their exam cards starting Friday, April 3, 2026, at 6:00PM. Students who apply for Exception Registration (repeats, resits and/or supplementals) will be able to access and print their Exam cards once the Exception Registration process is complete.

Kindly note, no candidate sitting face-to-face examinations will be permitted in the examinations room without his/her examination card and current CMU identification card.
