

UNIVERSITY LIBRARIAN'S WELCOME MESSAGE – ORIENTATION 2026

1

Good morning, and a very warm welcome to all our new students joining the Caribbean Maritime University family!

As you begin this exciting chapter of your academic journey, we want to introduce you to a space that will become your home away from home—the CMU Library. Our theme for this orientation, "**Empowering Minds, Inspiring Greatness**," perfectly captures what we aim to provide for you throughout your time here.

Empowering Minds starts with access. The Library is your gateway to a world of knowledge. We offer a rich and diverse collection of resources designed to support every area of study at CMU. From our extensive hard copy collection of books and journals to our growing e-book collection and online databases, we ensure you can access authoritative information anytime, anywhere—whether you're on campus or studying remotely.

But access alone isn't enough. We also empower you with the skills to navigate today's complex information landscape. In a world where misinformation is everywhere, our dedicated librarians are here to guide you. We offer support in locating past papers, using subject guides, and developing essential information literacy skills. We don't just help you find answers—we help you ask better questions and think more critically.

Inspiring Greatness happens in an environment built on trust, inclusion, and support. Our people-centred approach means we prioritise the inherent worth of every individual. We celebrate diversity and draw strength from the varied experiences and perspectives that each of you brings. Our doors—both physical and virtual—are open to everyone, and we are committed to fostering a genuine sense of belonging.

We also embrace a long-term vision—balancing your immediate academic needs with responsible stewardship of our collections for future generations. Collaboration amplifies our impact, and we actively seek partnerships across and beyond the university to help you achieve your goals.

Beyond research, we offer practical services like photocopying and printing to support your academic and administrative needs. And we are always available to help you navigate resources, whether you need quiet study space or a place to collaborate with peers.

So, how can you reach us? We're here to help through multiple channels:

- **Email:** library@cmu.edu.jm or cmulibrary123@gmail.com
- **WhatsApp:** (876) 564-4274
- **Phone:** Our University Librarian, Navlette Bishop, can be reached at (876) 809-3103, and our faculty liaison librarians are also ready to assist you.

We invite you to explore our resources, engage with our services, and make the Library your partner in learning. Together, we will empower minds and inspire greatness.

Welcome to CMU, and we look forward to seeing you in the Library!
